Mrs. Helen Rosentrater  
Greeley Coin Club

[REDACTED]

Dear Helen:

We have received the noncompetitive report of your club's National Coin Week activities and wish to extend the gratitude and thanks of the American Numismatic Association, and of course our own as well, for your efforts in behalf of the program. We believe that National Coin Week is our single most effective link with the public, and that activities such as yours are a tremendous asset to our numismatic hobby.

Your unselfish work for the program without thought of reward is truly commendable. We have included with this letter as a token of our appreciation NCW Certificates of Award. Please accept them with our heartfelt thanks for adding to the record your accomplishments in behalf of National Coin Week 1967.

Yours truly,

Rick & Virginia Bronson
